

## **Cowichan District Riding Club**

### **Spring Working Equitation Schooling Show**

**May 8, 9,10 2026 at the Cowichan Exhibition Grounds Duncan BC. Judges are:**

**Sheryl Williams – Dressage, Vanessa Whitall – Ease of Handling / Speed Rounds**

The spring show format will be held as two separate back to back shows for Saturday and Sunday with dressage, ease of handling and the speed round completed for each day. Ribbons will be assigned for each level on both days. Riders can enter both days as a valuable schooling opportunity for both the horse and the rider. Horses and riders can take advantage of the first day's experience to maximize the second day or even move up a level with horses becoming familiar with the venue and obstacles.

Dressage and Ease of Handling arenas will be running simultaneously with riders heading to their EOH rounds approximately 30 minutes after their dressage. Course walks will be done the evening before and before EOH starts each day. Unsupervised course walks are possible each morning until 8:00 A.M. Speed rounds will be a separate class at the end of each day and will be open to all levels including Intro. On Sunday, riders can participate at the same level as Saturday or a higher level if they choose. The EOH course will be different each day but likely the obstacles will be in the same place.

A horse may be ridden by more than one rider but not in the same division.

All participants must have a valid HCBC and CDRC membership to participate.

Entry fee for two days is \$250.00 or \$140.00 for a single day. Two day riders have priority for entry but single day riders will be accommodated if room is available.

The course will be set Thursday evening. The arena will open on Friday to coaches so they can familiarize their horse and riders with the course. See Jane Stone to schedule. Fee for Friday is \$35.00 per person.

Stabling each day is \$30.00, \$40.00 clean stall deposit can be donated to the Cowichan Pony Club for cleaning.

Camping is available for \$35.00 per night.

Working Equitation Canada and Horse Council BC rules will be followed. Dressage tests can be found on the WECAN website.

Entries close Sunday April 26 2026.
